Making kingdom-focused prayer a priority in the lives of individuals, churches and ministries are vital to North Carolina Baptists. For the month of March, we focus our prayers for the people of Somali and Berber of Morocco.

SOMALI

God brings the Somali people to us from the Horn of Africa, where they practice a form of Sunni Islam. There are 22 million Somali people worldwide, but only 0.01 percent are evangelical. As a people, Somalis have faced drought, famine and war for many years. Many Somalis come to North Carolina seeking asylum.

There are 21 million Somali across the globe, with nearly 200,000 in North America and 1,725 in North Carolina. They live in the Triangle, Metro Charlotte and the Triad.

- *Pray* that N.C. Baptists will be drawn to engage the Somali people.
- *Pray* that the Somali people living in North Carolina would recognize the peace that comes through the gospel.

BERBER OF MOROCCO

God brings the Berber people to us from the Atlas Mountains in Morocco, North Africa. There are almost 19 million Berber people worldwide, with only 0.02 percent being evangelical believers. They loosely adhere to the Islamic faith and enjoy conversations about God.

In North Carolina, the Berbers love community. The men work as merchants or in the limo/taxi business. They live in Metro Charlotte and the Triangle.

- *Pray* that the light of Christ will shine into the darkness of the Moroccan people's hearts.
- *Pray* that a church will be started among the Berber people.

For Berber of Morocco, there are men who work as merchants and limo/taxi business who live in Metro Charlotte and the Triangle. We pray that a church will be started among the Berber people.
