

First Baptist After School Care Handbook

2026-2027 School Year

At First Baptist, we believe children are so very important! They are truly a gift from the Lord, each with their own unique strengths and abilities. We strive to *partner with parents* in meeting the needs of their family. Our After School program provides a safe environment for children to play, fellowship, learn, snack and do homework with the assistance of a God-loving staff. A biblical worldview is integrated into all aspects of our program. Thank you for entrusting the care of your children to our staff.

Below you will find some guidelines and expectations. Understanding each child is uniquely gifted with their own needs and talents, this is a starting point to help us best work together.
